PUBLIC NOTICE

To all interested parties:

This letter shall serve as a formal notice of the receipt of an application for **Section 401 Water Quality Certification** by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for water quality certification under Section 401 of the Clean Water Act (33 U.S.C. § 1341) and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana's water quality standards as set forth at 327 IAC 2.

- 3. Project location:** Survey 5 of the Clark Military Grant, Jeffersonville USGS Quad, in Clark County
The proposed project is located between Riverwood Drive and Laurel Drive in the Oak Park Community.
- 4. Affected waterbody:** Unnamed Tributary to Lancassange Creek
- 5. Project Description:** The applicant proposes to implement a channel and drainage improvement project along 3,242 linear feet of an UNT to Lancassange Creek. In order to do so, the applicant proposes to discharge 14 cubic yards of logs and 16 cubic yards of rock below the ordinary high water mark. The applicant proposed these discharges in order to construct log vane and riffle structures. The channel improvements are designed to increase stream habitat, improve sediment transport, and improve the stream hydraulics. Upon completion, the applicant proposes to restore the site by establishing a native seed mix, native riparian shrub planting, and native riparian tree plantings. Please visit the following link for additional information: <http://www.in.gov/idem/5474.htm>
- Comment period:** Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review process.
- Public Hearing:** Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.
- Questions?** Additional information may be obtained from Mr. David Carr, Project Manager, at 317-234-6350. Please address all correspondence to the project manager and reference the IDEM project identification number listed on this notice. Indicate if you wish to receive a copy of IDEM's final decision. Written comments and inquiries may be forwarded to -
